Pneumatic Pressure Controller Inquiry Sheet	Item No. 1	Item No. 2
New or Replacement Controller Application?		
If Replacement Controller, Provide Manufacturer & Complete Model Number.		
If New Controller, Mfr & Model Preferred?		
HARDWARE DATA		
Instrument Air Pressure Available?		
Is Air Pressure Regulator Required?		
Is Pressure Indicator Required?		
Process Pressure Range		
Process Pressure Setpoint		
Proportional Control		
Proportional Plus Integral Control		
Direct Operation (Output Increases with Increasing Input)		
Reverse Operation (Output Decreases with increasing Input)		
Output Pressure Range? 3-15 or 6-30 psig?		
REQUIRED DELIVERY DATE		
OTHER SPECIFICATIONS		
Item No. 1	Item No. 2
