Pneumatic Temperature Controller Inquiry Sheet	Item No. 1	Item No. 2
New or Replacement Controller Application?		
If Replacement Controller Provide Manufacturer & Complete Model Number.		
If New, Mfr & Model Preferred?		
HARDWARE DATA		
Instrument Air Pressure Available?		
Is Air Pressure Regulator Required?		
Is Temperature Indicator Required?		
Process Temperature Range		
Process Temperature Setpoint		
Proportional Control		
Proportional Plus Integral Control		
Direct Operation (Output Increases with Increasing Input)		
Reverse Operation (Output Decreases with increasing Input)		
Output Pressure Range? 3-15 or 6-30 psig?		
Capillary Length Required		
Bulb Length		
Bulb NPT Size		
Thermowell Material		
Thermowell NPT Size		
REQUIRED DELIVERY DATE		
CONTACT INFORMATION
